NEW HAMPSHIRE NINE HITS FOR .412 ON TRIP TO NEW YORK CITY

Varsity Wins From Worcester, Loses to Springfield
And Ties Strong Crescent Club in Eleven Inning Game

WORK OF EMERSON AND WENTWORTH FEATURE TRIP

Game With Manhattan College Postponed on Account of Rain—Heavy Hitting of Team Continues—Many Alumni See New York Contest—Errors in Critical Moments Spell Defeat Against Y. M. C. A. Team

The New Hampshire baseball team continued its heavy slugging on the trip of last week to Massachusetts and New York City, when it defeated Worcester Tech 6 to 4, tied the strong Crescent Club team of New York, 6 to 6 in 11 innings, and lost to Springfield College 9 to 3. The game with Manhattan College was postponed on account of rain.

The work of Nicora and Wentworth in the field and of Emerson on the mound featured the trip, while the general hitting of the entire team was noticeable. The team average for the three games was .412, a remarkable record, as the New Hampshire ball players faced some good pitching in each contest. About 25 New Hampshire alumni attended the Crescent Club contest and rooted royally for the Blue and White team. Beat Worcester Wednesday

New Hampshire got off to a three-run lead in the second. Fernald, the first man up, drove one of Alberti's fast ones to the left field fence and was held to two bases only by Higgins' fast return of the ball to the infield. Wentworth's single, a wild heave by Alberti, Campbell's triple, Roy's single gave the New Hampshire team three runs. Two more men got on the bases, and then Calder was sent into the box. Cronin popped one to Calder, who threw him out on first. After allowing H. Fernald a pass, Calder got down to business, and the next two men went out in order.

Tech evened matters in its half of the third. Calder walked, and was followed in the same way by Brackett. McAuliffe laid down a sacrifice. A wild heave brought Calder in and Brackett scored on Higgins' double. McCarthy reached first when Nicora let one go through his legs, which allowed Higgins to cross the plate with the tying run.

N. H. tied the score again in the fifth and in the eighth Nicora

R. O. T. C. ATTACKS MANCHESTER SOON

Annual Inspection by
Colonel Goodale May 29

GOOD TIME ARRANGED

Queen City Officials Cooperating with
Military Authorities to Provide Entertainment for Embryo Officers
on Trip to State's Metropolis

On Wednesday, May 28, the R. O. T. C. regiment will go to Manchester on their annual encampment. While at Manchester the regiment will be inspected by Colonel Goodale, head of the R. O. T. C. of the First Corps area. A number of drills including those with automatic rifles and bayonets, also fencing, tent pitching, and rifle marksmanship, including a special drill by the juniors, will be put on. On Friday afternoon a ball game will be played between New Hampshire and the Manchester city team. The unit will also take part in the Memorial Day exercises at that city. Major Mason, executive officer of the 97th Inf., will speak to the regiment Thursday on "The Reserve Officers and their Relationship to the Reserve Army of the Country." Mr. Dillon, secretary of the Y. M. C. A. of Manchester, has offered the use of the Y. M. C. A. building to the regiment during their stay in Manchester. The "Y" is located on Mechanics street about a block from Elm. Vincent Perkins, '16, is assistant to the secretary at the Y. M.

Following is a complete schedule for the Manchester trip:

Wednesday, May 28: 1.30 p. m., first call; 1.35 p. m., assembly; regiment to form in column of squads and march to station; 2 p. m., train to leave for Manchester; 3.30 p. m., arrive in Manchester; regiment will form in column of squads with head in entrance to R. R. square; 3.45 p. m., march will start, to Elm, to West Bridge street, and thence to camp grounds; 4.30. arrive at camp grounds; 4.30-6, make camp; 6, mess call; 7.45, band concert; 9, tattoo; 10.45, call to quarters; 11 p. m., taps.

May 29, Thursday: 6.30 a. m., first call; 6.40, reveille; 6.45, assembly; 7.15, mess call; 8, sick call; 8.30, police of camp, followed by rehearsing of afternoon's program; 10, address by Major Mason; 10.40, police up and lay out equipment; 12, noon mess; inspection of mess by inspector; 1.15 p. m., full inspection of equipment in Company street; 2.30, close order drill, all companies, squad drill 15 minutes, platoon drill, 15 minutes, company drill, 20 minutes; 3.20, special drills, Junior Inf.; 3.25, automatic rifle, stripping and assembling, Inf. Sophomores; 3.40, bayonet combat and fencing, Sophomore Inf.; 3.55, rifle marksmanship, Freshman Inf.; 4.19, pitching tents, company of C. A. C.; 4.30, company attack, provisional Infantry company; 5.30, retreat parade and presentation of Reserve commissions; 5.40, formal guard mount; 6, mess.

Friday, May 30. No definite plans made. This tentative schedule had been worked out: 9 a. m., form for Memorial Day exercises, go into city by trolley car, taps and volley by Company C; back to camp by trolley cars for dinner. Following dinner the unit will participate in the Memorial Day parade. Following the parade the unit will go to the ball grounds where a section has been reserved for them in the grand stand. Back to camp by trolley. No further formations till train leaves for Durham.

The guard details will consist of the officer of the day, commander of the guard, sergeant of the guard, four corporals, two buglers, and 21 privates. Guard will be posted for 12 hours, starting at about 7. The guard will be divided in four reliefs, standing guard one hour on and three off. The guard detail will be selected as follows: Wednesday night, Company C; Thursday, day, Company F; Thursday night, a general detail chosen from those men having the greatest number of demerits on May 22; Friday, day, Company B; Friday night, Company A. All necessary details for camp duty will be made from guard company.

INTENSIVE COURSE IN TEACHING TRADE SUBJECTS IS SUMMER SCHOOL FEATURE

Is Intended for Teachers in Service and Those With Trade Background
Preparing to Teach—Will Analyse Occupations for Purposes of
Developing Courses of Instruction—How to Teach Shop
to Be Taken Up in Detail

Another notable feature which has been added to the already attractive program of the University of New Hampshire Summer School is an intensive course in methods of teaching trade and industrial subjects. This will be given under the instruction of G. A. McGarvey, agent for industrial education, of the Federal Board for Vocational Education, and it will last from the beginning of the Summer School, June 24, until July 11, omitting the three days from July 3 to 5.

The course is an intensive instructor training course for teachers in service or those with trade background who are preparing to teach. In giving it, much attention will be directed toward the analysis of a trade or occupation for purposes of developing courses of instruction. How to teach shop and related subjects will be taken up in detail. Since it is an intensive course primarily for instructors, all those who are not now giving instruction in

trade or related subjects in standard secondary schools of New Hampshire, Maine, or Vermont should secure the approval of Walter A. Pierce, supervisor of trades and industries for New Hampshire, before registering for the course.

Free tuition will be given to those who desire to participate in the conference without obtaining university credit. However, since the course will be in session 63 hours, those taking it may secure six term credits toward a bachelor's degree by paying a tuition fee of three dollars for New Hampshire residents and five dollars for non-residents.

Students who register for other of the Summer School courses in addition to this one must pay the regular registration and tuition charges of the University, amounting to \$5.00 for residents of the state and \$15.00 for those outside the state.

COMMENCEMENT PLANS ANNOUNCED

Busy Week Planned for
Graduating Senior Class

DEAN TAYLOR HEADS COM.

Glee Club Recital Scheduled for June
16—Band Concert on Baccalaureate
Sunday—Seniors to Play Faculty
Baseball Team

On Wednesday of this week Dean Taylor, chairman of the Commencement committee, announced the program for Commencement week. The activities start with a rush on Friday night, June 13, at 8.30 when the Commencement Ball will be given. The senior class committee in charge of arrangements for the ball is keeping its plans dark but hinted to The New Hampshire reporter that there would be some really unusual features at this last dance of the year.

The Commencement address will be delivered by Dr. Irving Fisher, professor of political economy at Yale University. The Commencement exercises will be held at 10.30 Tuesday morning, June 17, in the gymnasium. At 3 o'clock in the afternoon President and Mrs. Hetzel will give a reception in their home to the members of the graduating class.

Saturday, June 14, has been set aside as Alumni day. On this day there will be class reunions; a baseball game, the N. H. Varsity vs. St. John's College; the annual alumni meeting; and in the evening an Alumni rally. The complete schedule for this day will be published in a later edition of The New Hampshire.

The Baccalaureate sermon on Sunday, June 15, will be given at 10.45 in the gymnasium by Dr. Charles S. Murkland, formerly president of the University. In the afternoon, at 4, there will be an organ recital at the Community church. At 8 in the evening there will be an open air concert on the campus by the University band.

The senior-faculty baseball game will start off the Class Day activities at 10 o'clock on Monday, June 16. In the afternoon, at 2.30, the Class Day exercises will be held on Memorial Field. At 8 in the evening, the combined musical clubs will give an entertainment in the gymnasium.

SWIMMING POPULAR SPORT WITH COEDS

Big League Baseball and Other
Games Included in Spring Program
for Women Students

The department of physical education for women, under the direction of Miss MacDonald, although handicapped by the late spring and bad weather, has laid out a wide range of outdoor activities for the co-eds for the remaining three weeks of work in this term. There will be two classes in baseball with thirty girls in each. This is real baseball and will be played according to major league regulations. Miss MacDonald intimates that she has some real big league material. There will be two classes in other outdoor games with a registration of forty-five girls. These games include croquet, archery, and horse-shoes. One of the most popular sports is swimming. There are sixty girls signed up for this branch of athletics in six classes, three of the expert natators and three of the "not-so-good."

HOURS FOR GIRLS' SWIMMING CLASSES

Monday and Wednesday, 3 00 to 4.00 p. m.
Tuesday and Thursday, 11.00 to 12.00 a. m.
No men students are allowed near the swimming pool during these hours.

DEPUTATION WORK PROGRESSES RAPIDLY

Fraternity Team Gives Entertainment
at Packer's Falls to Benefit Dental
Clinic—Other Y News

That the Christian Work, Inc., is carrying on a very full program of extension work is evidenced by the following deputation work:

A musical entertainment was given last Thursday night at Packer's Falls by eight men from the Lambda Chi Alpha fraternity. An admission fee of fifteen cents was taken for the benefit of a fund to pay the transportation of Packer's Falls children to the dental clinic which is now being held in Durham.

The following evening an entertainment was given at the Durham Point schoolhouse by a deputation composed of Jesse Pellerin, Wesley Shand, Fred Nagel, George Sanders, Wallace Sawyer, and John Clay.

At Madbury, last Thursday, a deputation led by Langdon Smith conducted an entertaining program. One of the numbers was a reading by Miss Elsie Chickering. Other members of the team were Harold Berg, John Clay, Timothy Curtis, Arthur Nutter, and Karl Skillings.

The Y. M. C. A. is sending out this week-end two groups of men students to act as leaders at two County Y. M. C. A. Boys' conferences. Rupert Kimball, Robert Folsom and Wesley Shand will attend the Strafford County Boys' conference which is held at Somersworth. William Smith, Fred Nagel, Arthur Sprague, and Richard Johnson will go to Plaistow to be leaders at the Rockingham County Y. M. C. A. Boys' conference.

LIST OF MEN SELLING JUNIOR PROM TICKETS

Carl Martin, chairman of the Junior Prom committee, announced today that tickets for the Prom, to be held in connection with the Junior house parties on May 23, may be obtained from the following men: Carl Martin, Don Pettee, Edward Shea, Harold Piper, George Gould, George Twombly, George Woodman, Frederick Gray, Donald Scott, Elmer Wiggin, and

BUILDING OF FIRST SORORITY HOUSE ON NEW HAMPSHIRE CAMPUS IS STARTED

Alpha Xi Delta Girls Buy Land South of Faculty
Row From Dean Pettee and Hire Nashua Contractors

EXPECT HOME WILL BE READY FOR OCCUPANCY IN FALL

Ground Broken This Last Week After Board of Trustees Give Consent—
Prof. Huddleston Is Architect—Building to Be Colonial in Style—
Brick in Construction—Excavation Progressing Rapidly—
Much Blasting Has to Be Done

Ground was broken last week for the Alpha Xi Delta Sorority house, the first building to be erected upon the New Hampshire campus by a woman's organization. The house is to be erected upon the lot which the sorority recently purchased from Dean Pettee at the corner of Garrison Avenue and Faculty Row. The Nashua Building Co. are the contractors and Mr. E. T. Huddleston is the architect. It is expected that the house will be completed by the opening of the University next September. As this will mark a new departure in the rules for women, the matter was referred to the trustees of the institution who have given their consent to this important step which will probably lead to the erection of other houses by other women's societies during the next few years, marking another milestone in the social and physical growth of the University.

The new home is to be constructed of brick upon a general Colonial plan. The building will be large and rambling, with a sun porch, a dining porch, and a terrace, that will set off the lines of the building to the best advantage and will harmonize the whole scheme with its beautiful situation on the top of a rolling hillside. The lower floor of the house will include a living and dining room, a reception hall, a kitchen, and quarters for a matron. The second floor will be taken up with studies and the third floor will provide sleeping quarters for the thirty girls who will reside there.

The excavation for the building is progressing rapidly, although a ledge has been struck which will necessitate considerable blasting. The contractors fully expect, however, to have the house ready for occupancy when the girls return to their studies in the fall.

N. H. BOXERS ARE FAVORITES AT N. E. A. A. BOUTS

Crowd Hisses Decision
Over Captain Fitzpatrick

AKMAKJIAN WINS FIGHT

O'Gara Loses to Oliver and Smith to
Morrizi—Coach Cohn Will Enter
"Fitz" and Fenton in Olympic
Tryouts Next Week

In its first appearance in a regular tournament outside of Durham, the New Hampshire boxing team made its initial bow before a crowd of over 6,000 fans in the Mechanics building, Boston, Mass., on Thursday, May 8, at the New England Amateur Athletic Association championship bouts. The entire New Hampshire team acquitted itself very creditably and won the favorable comment of everyone who saw them perform. After the bouts, William H. Cuddy, manager of the Olympic Boxing team, complimented Coach Cohn on the showing of the New Hampshire team and urged him to enter his men in the Olympic tryouts to be held in Boston next week.

Fitzpatrick Features

The feature of the trip to Boston was the work of Charles Fitzpatrick, the New Hampshire captain, in the bantamweight class. In his first bout at 8.30 the New Hampshire star met Fred Moore of Boston, and after three fast rounds, the Manchester lad, wearing the Blue and White colors, received the decision. At 11 o'clock, Captain Fitzpatrick met Joe Dwyer of South Boston in the semi-finals of the class. Once more the superior boxing of Fitzpatrick won the decision of the judges, and the applause of the crowd plainly showed that the work of the lad from Durham was appreciated. At half past one Fitzpatrick met Frank MacDonald of Newton in the final bout of the 118 pound class. It was the old story of the boxer opposing the fighter. All that MacDonald had to offer was a straight, hard right and a lot of aggressiveness. Fitzpatrick kept away from him, ducked and sidestepped and occasionally crossed over his own right to his opponent's face and body. In the second round, "Fitzie" drove his opponent all over the ring, finally forcing him to the ropes. With his usual consideration and good sportsmanship Fitzpatrick stepped back from his man and gave him a chance to weather out the round. This was where he made his mistake. In the last round MacDonald only hit the New Hampshire boxer once, while Fitzpatrick peppered the Newton lad with a shower of blows, all of them honest points. At the conclusion of the bout, the judges gave the decision to the Greater Boston entry. The entire audience booed, hissed, catcalled, stamped their feet, and in every other way showed their disapproval of the decision. The uproar continued so long that the announcer had difficulty in announcing the next bout. After the bout, the Boston newspaper men told Coach Cohn that his boy was clearly robbed of the decision, and Coach Cohn himself, who usually takes his defeats in a philosophical calm way, plainly ex-

(Continued on Page Two.)

BANKERS TO CONFER WITH FARMERS HERE

Conference Called for May 20 to Promote
Closer Cooperation Between
Financiers and Agriculturist

How New Hampshire bankers can cooperate in developing the agriculture of the state will be discussed at a conference to be held at the University of New Hampshire May 20. D. H. Otis of Madison, director of the Agricultural Commission of the American Bankers' association, and editor of the Banker-Farmer, will be present.

The New Hampshire Bankers' association will be represented by its secretary, H. L. Addison, and it is hoped that a number of other bankers will also attend. All bankers are cordially invited, as are all farmers interested in the problem of banker-farmer cooperation. The conference is being arranged by Director J. C. Kendall of the State University Extension Service.

It is hoped that out of this conference will grow a greater interest on the part of the banks of the state in agricultural problems.

FRATERNITY NOTICE	
Alpha Xi Delta Fraternity wishes to announce the pledging of Edythe Tingley, '22, and A. Janette Thomas, '27, both of Durham.	

CALENDAR OF EVENTS

Saturday, May 17
2.00 p. m. Baseball: Varsity vs. Clarke on College Field.
Baseball: Freshmen vs. Laconia at Laconia.
8.00 p. m. Smith hall dance.

Sunday, May 18
10.00 a. m. Celebration of the Holy Sacrifice of the Mass, Morrill hall.
10.00 a. m. Bible classes at Community church.
10.45 a. m. Morning worship at Community church.

Monday, May 19
3.30 p. m. Baseball: Freshmen vs. St. Anselm's College on College Field.
7.00 p. m. Y. W. C. A. meeting.

Tuesday, May 20
3.30 p. m. Baseball: Varsity vs. Mass. Aggies on College Field.

Wednesday, May 21
1.30 p. m. Convocation.
Thursday, May 22

Baseball: Freshmen vs. Sanborn Seminary at Kingston.

Friday, May 23
12.00 a. m. (noon) Start of Junior house parties.
Track: N. E. I. C. A. A. meet at M. I. T., Boston.
8.00 p. m. Junior Prom in men's gymnasium.

Saturday, May 24
3.30 p. m. Baseball: Freshmen vs. Wentworth Institute on College Field.
Baseball: Varsity vs. Lowell Textile at Lowell.

Track: N. E. I. C. A. A. meet at M. I. T., Boston.

Sunday, May 25
Junior house parties end.

STUDENT GOVERNMENT

This year The New Hampshire has printed a number of editorials referring to "student government" and urging that there be fuller cooperation on the part of the students for student government and that the students take more interest in this. Now just what constitutes student government? What is it, anyway? What good is it?

Student government is the active participation by the undergraduates of the University, through duly elected representatives, in all phases of university activities, especially in those pertaining to the interests of the students. These representatives should work in close cooperation with the administration and with the Board of Trustees. Each of these three should be bound firmly together through their single fundamental aim: making the University of New Hampshire the greatest asset in the State to the State of New Hampshire.

Student government involves more than just setting the dates for and overseeing freshman-sophomore contests or setting the time limit for dances and social affairs. It includes the management of all but the very extreme cases of discipline. It should mean the management by the students of all student problems.

All such activities should be worked out in cooperation with the administration. The reason for this is that the administration is permanent as compared with the student body. The personnel of the student body changes completely every six years, the greater portion every four years. The administration never completely changes. What does the present student body know of or think about the needs and requirements of the students in 1944? Very little, if any. What does the administration think? The administration has formed plans for the care of the students for every one of the next twenty years. It is for this reason that a student government should work with the administration. The students of today are too apt to think merely of their own immediate problems and not to consider them in relation to the problems of future student bodies. On the other hand, the administration, besides thinking of the problems of today, looks forward and thinks of them in relation to future events.

A student government, well organized and working, can help the administration to an almost unlimited extent. It can take care of the disciplinary questions. It can formulate student policies and thought. It can present the needs of the University to those who know little or nothing about them as seen from the undergraduates' viewpoint; for try as it will, no administration, however good it may be, can ever get for its own viewpoint that of the undergraduates.

Student government is of inestimable value to the students themselves. By its means the administration learns authoritatively of the desires and plans of the students and can best meet these wishes and plans, dealing with them for the benefit of the greatest number and for the furtherance of future plans for the welfare of the University. Everything that improves in any way the welfare of the University of New Hampshire improves also the University's value to the State of New Hampshire. Through student

government the students learn how to manage themselves and how to manage others. This is what they will have to do in the world outside of the campus.

Student government pays. A poor form just meets expenses. A good form, where all take part, pays dividends. Those who take part in it get a tremendous benefit from it.

FROM OUR MAIL BAG

To the Editor of The New Hampshire: Is it possible that we intend to duplicate, today, conditions of 1756 when 200 Englishmen were confined in Calcutta in a dungeon with only one window?

It seems to me that we are striving hard to produce such conditions when on Wednesday afternoons we pack over 1,000 persons in the gymnasium, with only one or possibly two windows open. Once in a while some energetic person tries to open another window, but after the crowd has entered, it is almost a physical impossibility to open any number of windows.

Now that summer and warm weather is coming, I believe that the question of proper ventilation should be tended to before the students and the faculty arrive at the Gym. for convocation. Let us make it impossible to refer to convocation as New Hampshire's "Black Hole of Calcutta."

A Perspiring Student.

May 6, 1924.

The Editor,
N. H. State "Weekly"
N. H. State College,
Durham, N. H.

Dear Sir:

As the officer in charge of the Citizens' Military Training Camp affairs for the New England states, may I take the liberty of correcting through your columns an erroneous impression that has gained wide circulation through the colleges of New England to the effect that the camps are for "boys." We have found college men glad to take advantage of the camp and training when the proposition is explained to them accurately. At Williams College, for example, where a faculty member is aiding us in a proper presentation of the matter we already have a very good enrollment for this summer's camp. At Harvard we have just started a movement to secure a similar delegation through the candidates for the athletic teams.

The participation of college R. O. T. C. men in the summer camps is not specially sought since they have their own camps; but the R. O. T. C. and the C. M. T. C. are tied together in many ways. Incoming college men who have had training at our camps are generally able to secure non-commissioned and even commissioned rank in the student companies, together with whatever added standing such rank may give. The officer in charge of R. O. T. C. affairs at these headquarters has notified all officers of the regular army on duty with R. O. T. C. units specially to look out for such material for such officers. Out at Ripon College, in Wisconsin, the R. O. T. C. on its spring vacation training "hike" canvassed the surrounding towns of Berlin, Omro, Oshkosh, and Fond du Lac for the benefit of the Sixth Corps Area C. M. T. Camp. Such cooperation is natural and logical and brings good results. There are many men in colleges having R. O. T. C. units who are not now taking the military work who would enjoy and profit from a month at the C. M. T. Camp. R. O. T. C. students should bring to their notice the benefits and pleasures to be derived from one of these camps.

All expenses to and from the camp are paid by the Government. Recreational facilities at the camp include swimming, horseback riding and small arms and pistol practice, with a competition for selection of fifteen men to represent New England in the national matches at Camp Perry, Ohio, a little before the opening of college next fall. All expenses of this team are paid by the Government. The training courses cover the usual Army branches, Infantry, Field Artillery, Coast Artillery, Cavalry, Engineers, and Signal Corps, the latter providing instruction in the various means of communication, such as radio and land line telegraphy, telephony and other means of signalling. Exceptional students may be recommended for commissions in the Reserves.

Of course there is a lot of soldiering to do, but the work puts a man in shape for football and other fall sports. As Robert T. Fisher, the head football coach at Harvard, said, "Many young men wonder what to do during the summer months in order to prepare themselves for football in the fall. In my opinion nothing could be more beneficial than a month spent at a Citizens' Military Training Camp at Camp Devens, Mass. It has been my observation that good military men always make good players. It is easy to understand why—training and discipline as well as initiative and quick thinking are vitally essential to both." Football and track athletic coaches all over the country are strong supporters of the camps.

We have had a constantly increasing percentage of college men at the camps each year and we do not like to feel that a misconception growing out of the carelessness of newspaper reporters in terming any man who was too young to get into the war a "boy" is hurting us in the colleges this year. Provisions of the Army Appropriation Act now pending indicate that in future men over 24 years of age will

be permitted to attend these camps in order to complete the four courses and thereby qualify for Reserve commissions. I am sending this letter to all college newspaper editors and will appreciate it personally, and it will evidence your willingness to cooperate with the War Department in the carrying out of the provisions of the National Defense Act of 1920, if you will give it publication in your "communications" or "letters to the editor" column.

Sincerely,
BLANTON WINSHIP,
Colonel, J. A., D. O. L.,
Officer in Charge, C. M. T. C. Affairs.

Boston, May 9, 1924.

Dear Editor:

I had the good fortune to be at the boxing meet last night in which some of the N. H. men competed. For the interest of N. H. students I have written a little article here which if you think is worth while, you may find a little space to put in The New Hampshire.

Yours,

William E. Moore, ex-'24.
Due to lack of space, it is impossible to print Mr. Moore's article in full. He wrote in part as follows:

"The athletes from your university under the skillful and seemingly tireless director, Harvey Cohn, gained a great and valuable victory for New Hampshire in the New England Amateur Boxing championships last night at the Mechanics building, not so much of a victory in the way of capturing medals but more of a publicity victory. This was all due to the wonderful showing the boxers made before a large crowd, in a strange place, and with much at stake. They did not hesitate or falter once but just went through their 'stuff' in perfect order, all the time having the utmost confidence in their chief second, Harvey Cohn."

Mr. Moore then goes on with his account of the battle between Fitzpatrick and MacDonald. He says that each round was Fitzpatrick's and that "in the dressing room after the bout, MacDonald admitted that 'Fitzie' had defeated him."

N. H. BOXERS ARE FAVORITES AT N. E. A. A. BOUTS

(Continued from Page One.)

pressed his dissatisfaction with the decision. The bout and the title belong to Fitzpatrick, and the action of the judges was most certainly biased and unfair in the opinion of everyone who saw the fight.

Akmakjian Wins One

Akmakjian, fighting in the welter-weight division, met F. Ross of Andover in his first bout. Boring in from the first bell, the hard-hitting scrapper from Durham chased his man around the ring and had him groggy in the final session. The decision went to "Akkie." In his next bout, Akmakjian met E. Adonis of Boston, a clever, hard-hitting boxer, whose superior knowledge of the game and the ring enabled him to keep away from Akmakjian's sledgehammer blows, at the same time crossing over enough points to win him the judge's decision. Akmakjian's work, however was spectacular and his victory over Ross had the entire crowd on its feet.

Champ Defeats O'Gara

The popular "Doc" O'Gara met Walter Oliver, one of the cleverest boxers in New England, in his first bout in the welter class. The go was fast and clever throughout, both men working hard and showing a lot of good stuff. The decision, although close, went to Oliver, who finally won the title in his class.

"Bill" Smith met Joseph Morruzi in the middleweight class and lost the decision, although this bout was close and full of action. Both men were strong, aggressive, and fairly clever. Morruzi hailed from Bridgewater and said after the bout that the New Hampshire man was one of the hardest hitters that he had ever faced.

Large N. H. Following

A large number of New Hampshire rooters accompanied the team to Boston. Included in the audience that evening were Coach Cowell, Professor

Bowler, Mr. Butters, and several other well known followers of New Hampshire sports. The tournament started at 7.30 and was not concluded until 2.30 in the morning. None of the New Hampshire boxers took a serious beating and the men returned to Durham in good condition. Their excellent showing in the first bouts won the favor of the fans, and the announcement of a New Hampshire boxer in any of the later bouts instantly won the applause of the crowd who showed that they were with the collegians. The conduct of the men in the ring and the knowledge of the game which they displayed reflected great credit upon Coach Cohn and the University itself and augurs very well for the future of the sport here.

To Enter Final Olympic Tryouts

Coach Cohn now plans to enter Fitzpatrick in the 118 pound class and Francis Fenton of Dover in the 126 pound class at the final Olympic team tryouts to be held in Boston under the auspices of the B. A. A. on Monday, Tuesday, and Wednesday of next week. The two men are training hard daily, and Fenton, who has not been able to box this winter because of an injury, is shaping up exceptionally well. The coach is more than satisfied with the showing that both boys are making. In the coming tournament the New Hampshire men will be pitted against the best amateur boxers in the United States; and although they may not win their way through to the finals, they are certain to give a good account of themselves and should gain some experience that will prove invaluable to them in future bouts.

FRATERNITY NOTICE

Pi Gamma Fraternity held its spring initiation on Wednesday, May 13. The following students were initiated: Donald Barton '24, Mary Hoitt, '25, Helen Kelly, '25, Jane Tuttle, '25, and Dorothy Smith, '25.

SIGMA BETA IS INSTALLED THETA UPSILON OMEGA

Becomes Charter Member
Of New National Frat

IS THETA ALPHA CHAPTER

Impressive Ceremonies Conducted on
May 3 by B. W. McIntire, '25—
Many Alumni Return for Installation

At midnight of May 3, the local fraternity known as Sigma Beta became the Theta Alpha Chapter of Theta Upsilon Omega, the new national fraternity which was formed at the interfraternity conference last December. The installation ceremonies were carried out by B. W. McIntire, '25, J. C. of the National. Besides Theta Alpha Chapter there are nine other charter chapters of Theta Upsilon Omega located at the following places: Beta Alpha, Worcester Polytechnical Institute, Worcester, Mass.; Gamma Alpha, University of Illinois, Champaign, Illinois; Epsilon Alpha, Temple University, Philadelphia, Penn.; Zeta Alpha, Bucknell University, Lewisburg, Penn.; Eta Alpha, George Washington University, Washington, D. C.; Iota Alpha, Pennsylvania State College, State College, Penn.; Kappa Alpha, Davidson College, Davidson, North Carolina; and Lambda Alpha, Westminster University, New Wilmington, Penn.

On the evening of May 2 the fraternity also held its annual freshman initiation banquet at the Community house. There were about 65 members present including active members, alumni, faculty adviser, Dr. H. R. Kraybill and Prof. L. W. Hitchcock, honorary guest. A. L. Welcome, '24, amused those present by his remarks as toastmaster. Mrs. Langley was caterer at the banquet.

First in Electrification of Industry

Where Westinghouse Blazed the Trail

Steel Industry
Textile Manufacturing
Paper Making
Rubber Industry
Material Handling
Motion Picture Industry
Meat Packing
Railroading
Ship Building
And Others

In 1891 the first electric motor was put to work in a steel mill. In 1905 the first large rolling mill motor, and in 1906, the first reversing mill motor were also installed in steel mills. These motors—all Westinghouse Motors—were history-makers in the steel industry.

Other industries too have profited by Westinghouse engineering pioneering.

—In the textile industry, individual motor drive became a reality in 1902, in the Sauguoit Silk Co., Philadelphia, Pa.

—In the rubber industry, Westinghouse ideas as originally applied in 1900, are today the standard method of application in plants throughout the world.

—In the handling of materials at the world's great shipping centers, in the manufacturing of paper, in the motion picture industry, in coal mining, in meat packing, railroading, ship building—in fact, in every branch of human activity can be found progress and profits traceable directly to the pioneering of Westinghouse Engineers.

Westinghouse

ACHIEVEMENT & OPPORTUNITY

MORE ALUMNI DAY PLANS MADE

Banquet, Lunches, Stunts, Varsity Game on Program

COMMITTEES ANNOUNCED

Plans for Liveliest Reunion of Old Grads Taking Shape—Indications Point to Record Crowd Here June 14

Plans are now well under way for the observance of Alumni day, June 14. Many innovations are planned for this day when all the loyal New Hampshire men and women will return to Durham to renew old friendships once more in the same happy surroundings of the undergraduate careers. A big banquet is scheduled by a real, live Alumni rally, with the classes here for special reunions in charge of the stunts. "Something do-

ing every minute" is the slogan for the day. The committee is now requesting that the classes holding reunions will hold their field day programs and lunches in the morning so that all the Alumni may participate as a group in the activities planned for the afternoon. One of the events already on the program is a varsity baseball game with St. John's College. Mr. Perley announces that further details of the final program will be published in a future edition of The New Hampshire.

The work of preparation for Alumni day has been divided between the following committees of the Durham Alumni branch:

Publicity: G. A. Perley, '08, Elma Perkins, '23, Howard Rollins, '23. Banquet: J. C. Kendall, '02, M. G. Eastman, '13, Marion C. Pettee, '17, Charles B. Stevens, '17, Sam Patrick, '23. Recreation and reception: W. A. Osgood, '14, D. A. Watson, '03, C. S. Pettee, '16, C. B. Wadleigh, '18, Ruth Kemp, '23, R. L. Gustafson, '23. Room accommodations: Edith Tingley, '22, Herman C. Fogg, '18. Class luncheons: Perley Pitts, '20, Charles Scott, '13, Lester Langley, '15, Susan Scott Page, '18.

Born to Mr. and Mrs. Sumner Carlisle of 1143 North Union street, Manchester, N. H., a son, Scott Carlisle, on March 25, 1924. Mrs. Carlisle was Alice H. Scott, '21, while Mr. Carlisle was an ex-'17 man.

Mr. and Mrs. Myles Standish Watson, '12, announce the birth of a son, David Benjamin Watson, May 1, 1924.

Howard S. Abbott, '20, who has been teaching in Montpelier, Vt., plans to go into farming at the close of the school year.

Doris Binks, '20, has announced her engagement to Harold Preston Hale of Worcester, Mass.

C. J. O'Leary, '20, has gone into business for himself, dealing and brokering in wools and waxes.

Lucile E. Burleigh, '20, has announced her engagement to Mr. Lawrence Thompson.

The Boston group of the University of New Hampshire Alumni Association held its annual banquet at the Parker House, Saturday evening, May 10. Since the paper was all made up when this was received it was impossible to print it in this week's issue of The New Hampshire, but it will be printed in full next week.

NEW HAMPSHIRE NINE HITS FOR 412 ON TRIP TO NEW YORK CITY (Continued from Page One.)

singled. Both men scored on Lufkin's drive to right field. New Hampshire's first baseman, Nicora, got four singles in four trips to the plate.

The score:

Time of game, 2 hours.

Springfield Bats Out a Victory

"Pop" Reddick pitched Springfield College to a 9 to 3 victory over New Hampshire University on Pratt Field yesterday in a game which looked decidedly bad for the Red and White in the early innings. New Hampshire scored three runs in the third inning off Bearse, and Reddick took the mound in the fourth when the bases were full with none down. With 10 pitched balls he fanned the next three batters, pulling his team out of the hole. Springfield bucked up and tied the score in the sixth and in the seventh batted Barnes all over the lot, scoring six runs. L. Fernald was pulled in from right field in the eighth to replace Barnes on the mound for New Hampshire.

Shanks scored for Springfield in the first inning. Having walked he completed the circuit on an error when Norfeldt sacrificed. New Hampshire found Bearse for four hits and a total of three runs in the third. H. Fernald singled and came in on a single by Lufkin. O'Connor singled to right field and both he and Lufkin scored on Wentworth's drive

UNIVERSITY OF NEW HAMPSHIRE ALUMNI MEMORIAL SCHOLARSHIP FUND

145A Belmont St.,
Everett, Mass.,
May 8, 1924.

Dear Alumni:

Amount pledged this week is very encouraging. We received \$76.00, making our total \$386.00. Those giving this week are: C. H. Hood, '80; E. H. Burroughs, '10; C. F. Scott, '13; G. F. Lane, '13; Neal McCrillis, '14; R. C. Bartlett, '18; Mrs. Ruth (Hadley) Hayden, '18; Max McConachie, '20.

The Alumni Branch at Schenectady, thanks to the efforts of "Jimmie" Dodge, is a 100% donor. The amount given is \$46.00.

This attempt to raise money without begging at meetings, dinners, games and commencement is putting the Alumni of the College to a pretty tough test. It is like the honor system, your conscience is your guide. Take a minute or two of your time, and figure out whether you owe anything to this Fund or not. Just because you have not received a personal letter doesn't excuse you a bit. The moral obligation is still there.

We are doing our best, and our bright moments are few and far between. One dollar from every Alumnus would put us over the top with a "BANG." To make it sure and safe, two dollars would allow for 50% dead-wood. Surely there are some of you who could drag five, ten or even fifteen over the top.

We are in a position where we can handle any number of checks and for any amount. Start a "dollar" club in your vicinity. Start anything, only give us your support.

If this drive is to be a success, and a credit to our Association, we must have your support and co-operation.

Yours for New Hampshire,

"ED." HARDY.

to left field. In the fourth Campbell and Nicora singled and Roy was hit by a pitched ball. Here, with the bases full, Reddick went in to pitch for Springfield striking out Barnes, H. Fernald and Lufkin. The score was tied in the sixth when Norfeldt was sacrificed in by Berry and LaBree scored on a single by Shellenberger.

Powder started things for Springfield in the "lucky seventh" by making first on an error. Reddick was hit by a pitched ball. Norfeldt scored both men with a two-base hit to left field that hit chalk line. LaBree, the next man up clouted a homer. Crawley then made second on a wild throw to first by Roy. Berry scored him with a two-base hit, the second for him. Berry went to third on a passed ball and came home on Nicora's error. Score:

Play Tie in Big Town

In New York City on Saturday, May 10, the New Hampshire nine met the strong Crescent Club team and played them to a tie in 11 innings. Three Crescent pitchers were driven from the box by the heavy slugging of the men from Durham, while the work of Emerson in the box for the invaders was most excellent. He kept the Crescent hits well scattered; they made one hit in the first, two in the seventh, two in the eighth, one in the ninth, one in the tenth. He allowed one scratchy hit in the seventh, one base on balls and hit one batter. About 25 New Hampshire alumni were on hand to root for the Blue and White team.

The New Mooners were the first to score, putting a marker across in the opening session. In the third inning, New Hampshire tied the score when they tallied their first run. The fifth inning found the visitors taking the lead, after scoring four runs.

H. Fernald started off the session with a triple which was followed by a double by Campbell. L. Fernald singled, Campbell stopping at third. Losee replaced Farrell on the mound and uncorked a wild pitch, Campbell scoring with L. Fernald advancing to third. Nicora walked and followed with a steal of second. Roy scored both runners with a single to right, making a total of four runs in this session.

Errors Lose Game

Again in the seventh, the New Hampshire nine crossed the plate

Wild pitch—Farrell. Umpire—John Murray.

FORESTRY STUDENTS PLANT 12,000 TREES THIS SPRING

Professor K. W. Woodward and his forestry classes of sophomores and juniors have recently finished a series of tree-planting as a part of the spring work.

This spring the class has set out 5,000 trees in Durham, 5,000 in Dover, and 2,000 in Northwood.

That's how you spell
"electrical industry"

The electrical industry must have trained engineers, but its needs have broadened out beyond one group. Today this industry offers opportunity to men or virtually all professions.

Whatever the course you are now pursuing, whatever the degree you take and whether you go on to graduate study, you will find a market for your training in this field with its vast manufacturing and commercial activities.

But what will impress you even more than this diversity of opportunity is the golden promise for the future of electricity. Great now, it will be greater tomorrow—as great as you men choose to make it.

Think of this as still an industry for young men, with much of its potential development uncharted. If you like to build, electricity is your field. From now till graduation we suggest it will be worth your while to investigate its possibilities.

CORNELL MAN TO JOIN
POULTRY DEPT. TEACHERS

Mr. Forrest J. Mather has been recently appointed assistant in the poultry department. He will take up his work the first of June and will carry on extension work during the summer.

Mr. Mather is a graduate of Cornell University, where he specialized in poultry. He is a member of the Alpha Zeta fraternity and served as instructor at Cornell University during his senior year. He has also conducted culling demonstrations over the state of New York.

MANCHESTER HIGH WINS STATE MEET

Portland High Takes Out
State Title in Fast Field

18 SCHOOLS COMPETE

Narrow Margin Separates Teams in
Final Scores—Over 200 Schoolboys
Compete in Eighth Annual Inter-
scholastic Meet

The eighth annual interscholastic track meet which brought over 200 athletes, representing 18 schools, to the University last week-end was won in a drizzling, cold rain by the team from Manchester High in the New Hampshire school meet, while Portland, Maine, High won the out-state meet. The results were very close, Manchester High nosing out Tilton School 31 1-3 to 29 2-3 points, while Portland High defeated Gardiner, Mass., High 30 5-6 to 30 1-2 points. The weather was not conducive to exceptional performances, although Dale, of Gardiner High, broke the interscholastic meet record with a leap of 21 feet 2 3-4 inches, replacing the old record of 21 feet 3-4 inches established by Howard Ferrin of Concord High in 1916.

Manfreda of Sanborn Seminary was the individual star of the meet. Manfreda easily won the century and furlong dashes and placed first in the in-state broad jump, scoring all of his team's points. The Sanborn runner is very fast and looked capable of setting up a record in the dashes providing he was given the right kind of a day and suitable competition.

Manchester High had a well balanced outfit, although the issue was in doubt until the final figures were recorded. Coach Thompson's Tilton aggregation was up in the running all the time and the prep school team looked like a winner when the meet was half over.

Manchester scored in eight of the twelve events and it was her all around performances that won the meet. Langdell, the Manchester star who scored 22 points in the dual meet with Pinkerton Academy on the previous Saturday, failed to live up to expectations. He placed second in the high jump in the morning and won the high hurdles finals in the afternoon by a comfortable margin but was disqualified for knocking over two of his own hurdles and one in another lane. Johnnie Decker of Manchester was the individual star of the Green and White team, winning both the high jump and the mile run.

Pinkerton Academy won the trophy for the mile relay in-state, and Portland High won the mile relay for out-state teams. The entries were heavy in every event and many trials were necessary in the morning to clear the way for the finals in the afternoon. Every event was run off with smoothness and dispatch and Coach Cohn and his staff are to be congratulated for the excellent manner in which the meet was conducted.

The condition of the schoolboys as a whole was noticeably good, although in several of the longer runs the winners got rid of all the running in their systems and were pretty well used up at the finish. Some very good looking medals were presented to the winners in each event, and two handsome trophies were given to the two winners of the in- and out-state classes. While here, the men were the guests of the University Athletic association and were entertained by members of the Sphinx. The men were quartered in the fraternity houses and in spare beds in the dormitories on Friday night. The summary:

In-state schools: Manchester High, 31 1-3 points; Tilton School, 29 2-3 points; Sanborn Seminary, 15 points; Pinkerton Academy, 12 points; Concord High, 8 points; Nashua High, 7 points; West Side High of Manchester, 5 points. Out-state schools: Portland, Me., High, 30 5-6 points; Gardiner, Mass., High, 30 1-2 points; Bridgton Academy, 20 points; Thornton Academy, 13 1-3 points; Gould's Academy, Bethel, Me., 9 points; Morse High, 3 points; Coburn Classical Institute, 1 point; Melrose High, 1-3 point.

FIRST CONCERT OF YEAR BY GLEE CLUB

15 Men Go on Trip Last Friday to
Pembroke Academy—Plans Being
Made for Other Trips

In the first trip and concert of the year the Men's Glee club met with great success at Pembroke Academy last Friday, May 9. Fifteen men were chosen to go and made the trip by automobile. The men making the trip were: First tenor, R. Reid, '26, J. Marshall, '27, E. W. Blampied, '27, L. Foote, '27, A. Wilmot, '27; second tenor, G. Groux, '26, W. S. Ware, '26; W. G. Foss, '26, J. A. Boyd, '27; first bass, B. W. McIntire, '25, R. Hartwell, '26, P. Tracy, '26; second bass, C. Chase, '25, G. Hammerstrom, '27, R. St. Clair, '27.

The concert consisted of a number of selections by the Glee club and a few pieces by Director Manton. Bradford McIntire, '25, sang a group of three songs. The quartet made up of Foote, Ware, Chase, and Hartwell sang excellently. Both McIntire and the quartet were encored.

The Glee club, under the leadership of Mr. Manton, has worked up a very fine repertoire and tentative plans have been made for other concerts.

DAVIS AND HARTWELL STAR

Boston Middle Distance Runners Score
Heavily—Meet Conducted in Cold
Wind on Muddy Track

In the last home meet of the year the University of New Hampshire track team defeated Boston University 74 to 61. The meet followed the interscholastic track meet on Saturday afternoon and was run off on a track and field soggy with the rain of the night before, while the weather was frigid with a chill east wind blowing that prevented the athletes from turning in any startling performances.

Once more the New Hampshire team was weak in the middle distance runs and B. U. led during the first part of the meet. When the results of the field events began to be reported, however, Coach Cohn's men came to the front and soon had a comfortable margin over their Massachusetts rivals. The B. U. half milers took three places in that event. Eddie Coughlin evidently had an off day, for the little New Hampshire runner ran the half in slower time than on the preceding Saturday and did not seem to have the sprint in the final stretch that usually puts him up with the winners. The Boston men took the first two places in the mile and the hundred with a first in the 220 yard dash. Stacey ran a pretty race in the mile but dropped back in the last stretch, allowing his teammate, Horneus, to win. In the two mile run, "Duke" Peaslee led the pack for the whole eight laps and romped in a winner by a comfortable margin. Gunn and Draper came through in both hurdle events while Sid. Ayers placed in the low hurdles, scoring his first point for New Hampshire.

Davis Wins High and Broad Jumps

Captain Davis won both the high and the broad jump, while Arthur Hartwell was also a winner of two first places, winning both the discus throw and the shotput. Bridges and Stevens had no competition in the pole vault and tied for first place at 9 feet 6 inches, not being required to jump any higher. New Hampshire took all three places in the javelin throw, Warren, Evans, and Stearns finishing in the order mentioned. It was the excellent work of the field men that won the meet for New Hampshire, scoring 45½ points and their opponents 18 in these events. "Mud" Stevens ran a very good race in the quarter, only being beaten by inches at the tape. The team will have a lay-off this week-end but will go to Boston for the New England intercollegiate meet on May 23 and 24.

Summary of the B. U. meet:

120 yard high hurdles—Won by Draper, N. H.; A. Welch, B. U., second; R. Gunn, N. H., third; time, 17 2-5s.

100 yard dash—Won by E. Hatch, B. U.; M. Finn, B. U., second; J. McManus, N. H., third; time, 10 2-5s.

Mile run—Won by W. Horneus, B. U.; L. Stacey, B. U., second; M. Snow, N. H., third; time, 4m 42 2-5s.

220 yard low hurdles—Won by R. Gunn, N. H.; R. Draper, N. H., second; A. Richards and S. Ayers, N. H., tied, third; time, 27 2-5s.

880 yard run—Won by T. Hearne, B. U.; H. Cullen, B. U., second; H. Wescott, B. U., third; time, 2m 3 2-5s. 220 yard dash—Won by J. MacDonald, B. U.; R. Brown, N. H., second; J. McManus, N. H., third; time, 23 2-5s.

Quarter mile—Won by Henry, B. U.; Stevens, N. H., second; Higgins, B. U., third; time, 54 2-5s.

16 pound shotput—Won by A. Hartwell, N. H., 37 ft. 1 in.; P. Maxner, B. U., second, 35 ft. 11 3-4 in.; Rosenberg, B. U. 34 ft. 1-2 in.

High jump—Won by P. Davis, N. H., 5 ft. 6 in.; B. Menke, N. H., second, 5 ft. 4 in.; M. Mansell and Welch, B. U., tied, third, 5 ft. 3 in.

Broad jump—Won by P. Davis, N. H., 20 ft. 11 3-4 in.; J. MacDonald, B. U., second, 20 ft. 10 1-2 in.; J. McManus, N. H., third, 20 ft. 6 3-4 in.

Pole vault—Won by W. Bridges, N. H., and R. Stevens, N. H., tied, 9 ft. 6 in.; F. Sweetman, B. U., third, 9 ft. 3 in.

Hammer throw—Won by P. Maxner, B. U., 94 ft. 8 in.; Follansbee, N. H., second, 92 ft.; C. Blake, B. U., third, 91 ft. 5 in.

Discus throw—Won by A. Hartwell, N. H., 102 ft. 4 in.; W. Murphy, B. U., second, 101 ft. 1 in.; G. Stearns, N. H., third, 97 ft. 2 in.

Javelin throw—Won by E. Warren, N. H., 134 ft. 6 in.; E. Evans, N. H., second, 125 ft. 6 in.; G. Stearns, N. H., third, 120 ft.
